Dear Sir:

An appeal is made to the Board of Patent Appeals and Interferences from the last decision of the Examiner dated October 7, 2003 rejecting claims 36-60.

Because a reply to the Final Office Action was filed within two months of the Final Office Action being mailed, and an Advisory Action in response to the reply has not been mailed, this Notice of Appeal is believed to be timely filed and no extension fee is believed due.

Please charge the fee of \$330.00 provided in 37 CFR § 1.17(b), and if necessary, charge any additional fees, or credit any overpayment to Deposit Account No. 13-3723. One copy of this sheet marked duplicate is also enclosed.

Respectfully submitted,
